ON-PAGE OPTIMIZATION

✔ Titles

Great! All pages of your website now have proper titles.

✘ Meta Description

Almost there! Looks like 17 pages of the website either do not have a title or the page titles do not follow the SEO guidelines. Lets try to get this sorted with help from your Sales rep if needed.

✔ Heading/Subheading

Good! The home page of your website has a Heading Tag.

✔ Urls

Excellent! All pages of your website now have proper SEO friendly URLs.

✔ Schema tags

Excellent! All pages of your website now have proper Schema tags.

✔ Robot File

Good! Robots.txt file is properly set up on your website server and it points to your website's xml sitemap.

✔ Sitemap Xml

XML sitemap is present.

✔ Google Search Console

Good! We've added Google Search Console verification code so we can actively monitor whether your website is being actively visited by Google for indexing the content. If for some reason Google drops some of your website pages from its index, we can easily investigate using Google Search Console tools.

✘ Analytics

Almost there! Looks like 43 pages of the website do not have Google Analytics Code installed. Lets try to get this sorted with help from your Sales rep if needed.

This report shows how far down the page people are scrolling and helps determine where visitors abandon the page. Now you'll know exactly where to add elements to hold a visitor's interest longer.

The sections of the page that are white and yellow represent the areas that people spent the most time viewing. The sections that are darker represent the areas that people spent the least amount of time viewing. For reference, a color meter shows the percentage of users corresponding to each color on the report. [Click here](#) to view full report.

WITH THIS REPORT, YOU WILL BE ABLE TO DISTINGUISH ALL THE CLICKS YOU GET ON YOUR SITE SEGMENTED BY REFERRAL SOURCES, SEARCH TERMS & MORE.

The confetti report pinpoints exactly where a person clicks. The dots are color coded to show you more info about the visitor. [Click here](#) to view full report.
